Kunnecup (Cheese cup cake)

hot or ice 1Pieces ¥150

This cup cheesecake is made with cream cheese and shrimp eggs from Hokkaido. A rich and smooth taste that melts in your mouth!

Origin of prpduct name

Kunne Cup means the moon in Ainu language.

The cake is baked in a round cup and baked yellow from the top.

I named this product after the image of the moon floating in the night.

are the best!

Papirika pie (Apple pie)

1 Pieces ¥380

Home-made pies baked with custard fillings and apples from Sobetsu, Hokkaido.

Origin of prpduct name

Papirika means good harvest in the Ainu language.

We hope for a good harvest every year, and

The ingredients are used to bake a delicious pie product

We named it after our desire to make a difference.

We will continue to use only Hokkaido ingredients and sell our popular apple pie as a standard item. In addition to the apple pie, we will also be selling pie products that are only available for a limited time.

(Strawberry, blackcurrant, blueberry, haskap, pumpkin, aronia, etc.)
